ABOUT THE PROGRAM

Food is big business. It is Canada's second largest industry, and in Ontario one in every five jobs is food related. In the Food & Agricultural Business program, you will acquire the key management skills needed to succeed in the multi-million dollar agribusiness industry. You will explore all areas of management including: accounting, economics, finance, marketing, production, organizational behaviour, policy planning and implementation.

WHY CO-OP?

As a co-op student, you will gain relevant work experience, build professional networks and develop essential interpersonal skills needed to succeed in the workplace, all while getting paid and earning your university degree. Guelph’s co-op program is unique due to the exceptional level of support provided, including an in-class preparatory course, a personal connection with a Co-op Co-ordinator to assist you during the employment process, and access to senior student mentors.

COURSE SEQUENCING

In the Food & Agricultural Business co-op program, you will participate in five co-op work terms in addition to eight academic semesters throughout your five years at the University of Guelph. This sequencing is viewable below:
SAMPLE JOBS
Below are some examples of past Food & Agricultural Business co-op positions.

**Assistant Account Manager**
The main aspect of this role includes assisting with the management of valued clients through effective relationship management practices. You will also be collaborating with Agriculture Account Managers in contributing to strategic business priorities by successfully acquiring new clients, growing revenue and enhancing customer loyalty.

**Oilseed Marketing Co-op Student**
As an Oilseed Marketing Co-op Student, you will be supporting a fast-paced team. You will be involved in the cash trading of canola, canola meal, soybeans or soybean meal. In addition, you will be exposed to futures trading and specific research projects related to oilseed trading and markets.

**Junior Project Analyst**
Gain hands-on knowledge as to how the provincial government functions, including exposure to finance, program design and delivery, measurement and analysis, and individual ministry decision-making processes. This includes analyzing business proposals, reconciling financial data, and developing communications materials.

**Additional Sample Jobs:** Research Associate, Project Coordinator, Policy Assistant, Marketing Assistant, and more.

SAMPLE EMPLOYERS*

- Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA)
- RBC
- Scotiabank
- Bunge Canada
- Agricorp

*This shows a sample of recent co-op employers, and will vary depending on employer recruitment needs. During a job search, students are encouraged to be actively engaged and are supported in establishing and maintaining their own personal contacts.

**SALARY INFORMATION** Average Weekly Salary Range: $550 - $750*

*Salary ranges are shown as rates before deductions. Statistics are based on jobs held by co-op students in 2016. These ranges may fluctuate on an annual basis in response to economic conditions.

**SKILLS & KNOWLEDGE ACQUIRED**
Food & Agricultural Business co-op students exhibit strengths in the following key areas, developed through the combination of educational, extra-curricular and work experiences:

- Fundamental business skills and knowledge acquired in a Commerce degree with the additional advantage of applied knowledge of the agricultural sector
- Strong analytical and teamwork skills
- Exceptional leadership and organizational skills
- Well-developed written and verbal communication and interpersonal competencies
- Advanced skills in presentation delivery
- Experience utilizing industry-specific technology and software
